

Lithuanian Beer Tour

Brewing traditions of Lithuania is a very old and at the present day Lithuania is known as a beer-loving country. There are 70-80 breweries, large and small, operating in Lithuania, producing beer that may be light or dark, weak or strong. In Vilnius one can buy various types of beer brewed in both major breweries, as well as by small brewers from all over Lithuania. In traditional ways beer is mainly brewed in the northern part of Lithuania. Traditional beer is made from natural products – pure water, malt and hops, without the use of additional chemicals.
