

# HEAR THE TALKING STATUES

Download the map of the Talking Statues Vilnius here:  
[www.mmcentras.lt/9](http://www.mmcentras.lt/9)

---

Choose and find one out of the fifteen talking statues.

---

Find the blue tag and choose the most convenient way to hear the statue talking:

QR - download a free QR scanner from the internet, if you still do not have it on your phone (eg., i-nigma, Unitag, QR droid); turn it on and scan the QR code.

URL - type the internet address indicated below the QR code.

NFC - Turn on the NFC function on your smartphone and swipe the phone on the NFC mark on the tag.

---

Choose the language and answer the phone\*.

\* The mobile internet data will be used (up to 10 Mb)
